### Minutes

The minutes from the meetings of 15 December 2016 and 3 January 2017 were presented and approved and will be published on the Spaldwick village website.

### Correspondence and Ideas

- There was a discussion about the Bury Field site and GL confirmed that he had heard from Andrew Barr the agent that there was again interest in development. It was recognised that there is some opposition to the development but all agreed it merited further discussion. GL would arrange a meeting; JP and KT offered to support him if required.
- There was also a discussion about a potential development on land owned by Peter Edwards. GL said he would contact him to establish what his thoughts were and how this may help with the Committee's aims.
- GL would further investigate the provision of a Drop Box on the village website.
- GL said further advice was needed regarding the Trust documents and he would speak with Hunts Forum and ACRE.
- All agreed that if a potential site was found then it would be presented for discussion with other village committees before publishing a public presentation.

### The following topics were carried forward to the next meeting

- Applying to the Lottery Fund for financial support.
- Speaking to HDC about acquiring a site by compulsory purchase.

### AOB

- RT suggested that it would be useful in general to have a get-together with all the other village clubs and committees. She agreed to investigate this further.

The next meeting was scheduled for 7 March at 7.00 p.m. at The George Inn.

GL thanked all those attending and closed the meeting.
