### **A14 Bridge Works**

On behalf of the Highways Agency, I wish to inform you that we will be removing the narrow lane traffic management on the westbound carriageway of the A14 near junction 18 (Spaldwick).

The works are due to commence on 20 December 2013 for one night. The works will be undertaken overnight time between 10pm and 5am.

To undertake the works safely we will need to close the A14 westbound carriageway between junction 21 (Brampton Hut Interchange) and junction 18 (Spaldwick) westbound entry slip. The westbound entry slip will remain open.

The diversion route for through traffic will be via the A1(M) to Peterborough and the A605 to re-join the A14 at Thrapston.
