May 2015

**This artist's impression shows how the Old Manor will look when restored by Richard Johnson.**

**Richard will be pleased to listen to any comments about the restoration by telephone 07811 344926 or by email [rcaj@restoringlistedbuildibgs.co.uk](mailto:rcaj@restoringlistedbuildibgs.co.uk)**

Organic Fertiliser for a Great Looking Lawn

This is the time to feed and weed (preferably in that order). The fertiliser we use is organic which means we are feeding the soil to help it feed the lawn, and benefit the environment, and give you great looking lawn.

Weed Control Once the weeds and grass are actively growing a selective herbicide to reduce broad leaved weeds such as dandelions, daisies and clover within the grass can be applied

Patio/Driveway Weed Control- Ask about our Special Extra Strong Treatment Weeds can look unsightly at this time of year in patios and driveways. We can spray a total weed killer to kill them and keep weed free for up to 6 months.

Irrigation If hot and dry, water once per week and soak grass to prevent it turning brown

Mow lawn at least once per week

- Apply Spring Feed
- Spray Weeds in lawn with Selective Herbicide
- Spray drive/path/patios with total herbicide to keep weed free for summer
- Irrigate lawn in dry spells

Some of the above tasks can be carried out by the lawn owner; other tasks may need some professional intervention.

Thank you to all those who helped or supported the church activities last month. The Good Friday workshop was well attended as was the service on Easter Day. The church was beautifully adorned with flowers by the regular helpers plus extra hands, a pleasant change after the bareness of Lent.

The Pudding Club on the 19<sup>th</sup> was also a success, again thanks to all those who provided the delicious puddings and to those who came to taste them.

## Escape Youth Group

Escape was recently able to part fund and organise an event for a group of children held at Grafham Water.

A big thank you to the fantastic staff at Grafham Water Centre for looking after our children on both the archery range, and climbing wall which is a whopping 10 metres high by 6.2 metres wide, being the tallest in cambridgeshire. Plenty of multi-coloured arrows hitting their targets of course, and lots of fun by all scaling the massive wall.

We are also happy to announce that ESCAPE has been awarded £800 from the Woolley Hill wind farm community fund, which will be much welcomed help to provide additional activities, and to replace older equipment.

As usual we will provide details for other events this year through ESCAPE facebook & Spaldwick website ESCAPE group page.

Please don't forget if you have any loose change in your pocket you are welcome to put into our collection pot at the No.Twelve shop. Every penny counts!

Next Dates this year:- May 1<sup>st</sup>, May 15<sup>th</sup>, June 5<sup>th</sup>, June 19<sup>th</sup>, July 3<sup>rd</sup>, July 17th. Please refer to webpage [www.spaldwick.com/escape](http://www.spaldwick.com/escape) for any changes.

Escape welcomes volunteers to help man the tuck shop. Please email [escape@spaldwick.com](mailto:escape@spaldwick.com).

## Spaldwick Gardening Club

Club members spent a very enjoyable evening re-potting and dividing their various house plants including orchids.

The Pudding Club and Plant Stall event was well attended and we raised £78 on the plant stall.

A very big thank you to everyone who helped and donated plants and all those who purchased them. Next club meeting will be later on in the month than usual and will take place

on **Wednesday 20th May at 7.30pm** at 1 Ivy Way.

New members always welcome.
