

SPALDWICK NEIGHBOURHOOD WATCH

NEIGHBOURHOOD ALERT SYSTEM

The Neighbourhood Alert system is an online, secure community messaging system that allows authorised administrators to log in and send messages to registered people in the community, members of Neighbourhood Watch and other schemes who have chosen to receive them. Messages can be sent by email, telephone or text message by a range of approved Information Providers such as the Police, Neighbourhood Watch administrators, Trading Standards and the Fire Service.

At present ONLY six people in our Village are registered! All I need is your email address.

It would be of benefit to have more members in our Village.

To register please contact me at david.consult@btinternet.com

HEALTHWATCH CAMBRIDGESHIRE IS YOUR HEALTH AND SOCIAL CARE CHAMPION.

It is our job to make sure you are listened to when important decisions are made about our local health and care services.

We listen to local people to find out what is working well within our local health and care services, and what needs to be better. We log what local people tell us, and share this anonymously with the organisations who make decisions about our care. This helps them to improve care where it is needed.

We have statutory powers and can challenge health and care decision makers if care isn't working in the way it should, or if we think a decision has been made where people have not been able to contribute. They have to listen to us, and they have to reply.

We are part of a national network through Healthwatch England, and have direct links with regulatory bodies such as the Care Quality Commission and Monitor.

We are looking for a dynamic person to join our Board as a Non-Executive Director. Our Non-Executive Directors play a vital role in ensuring we are an independent, accountable and effective voice for local people. Go to www.healthwatchcambridgeshire/joinourboard to find out more about the role and how to apply. The closing date for applications is **30th September**. Please ring our office on 01480 420628 if you require any more information.

Does this ginger cat have two homes? For some time it has been almost permanently resident in the garden of 5 Stow Road but appears well fed and cared for, so perhaps it has just adopted the Foster family as a second home. The family would like to know who they are sharing with. Please email chrisfoster3723@aol.com

Hilary Shuker has been delivering the News to littlecotes Close and the north side of Thrapston Road for several years and before that she also edited the News. She and Tom are now moving away, is there anybody who will take over from her?
