

SPALDWICK NEIGHBOURHOOD WATCH

"NW volunteers more important than ever" says Home Office Minister
Police-recorded crime has risen by 10% across England and Wales - the largest annual rise for ten years - according to the very latest Office for National Statistics figures.

Police recorded 458,021 more offences compared with the previous year, which the ONS said was driven by an increase in violence - police recorded an 18% rise in violent crime, including a 20% surge in gun and knife crime

Jayne Pascoe, Strategic Partnerships Director for Neighbourhood Watch, said: "We have also seen a rise in burglary and robbery but we do need to be mindful that these recent increases should be seen in the context of substantial falls in such crimes over the last 20 years.

"However it's timely to remind supporters of the importance of staying vigilant and looking out for each other and being aware of what's happening in our neighbourhoods - and shows that Neighbourhood Watch is needed now just as much as ever."

This year's Harvest Festival will be at 6 o'clock on Sunday 24th September followed at 7 o'clock by a Supper and Auction of Produce in The George.

We will be most grateful for all donations of produce for decorating the church and then for Auction. The church will be unlocked from Thursday 21st September if you wish to deposit items. Supper tickets are now available, see the front page.

BOOK EXCHANGE

You will have read in the August Newsletter that the Parish Council has adopted the decommissioned phone box in Royston Avenue. Consequently we are working to clean and repair it for use as the Spaldwick Book Exchange. Because we hope to start off with fully stocked shelves of books, if you have any books that you would like to donate, please email Carolyn Traynor on carolyn.traynor@thelbc.co.uk so that we can arrange for them to be collected. Once the work on the phone box (aka Spaldwick Book Exchange) has been completed, we will let you know when the official opening ceremony will be.
