

## SPALDWICK NEIGHBOURHOOD WATCH

### COLD CALLING

Please be aware of recent cold calling incidents experienced within Cambridgeshire. There have been numerous reports of people receiving phone calls asking them to have an alarm installed for 99p per week as a special offer from NHW. We believe that this is possibly the start of another round of cold calling from companies possibly purporting to be other companies or affiliated with other companies.

The number appeared on their phones as a withheld number; please either ignore it, or answer it, but do not give out any personal details.

**This company is not affiliated to either the Police and or NHW.**

### FRAUD ADVICE

At this present time there are numerous schemes by fraudsters to obtain money and personal details from the public - these generally are mailed, faxed or sent by email, they originate from a number of countries. They are sent by professional fraudsters who make a living from this and at all times may seem plausible - but don't get hooked - ask yourself... '**IS THIS TOO GOOD TO BE TRUE?**' - if it is - then it is more than likely a scam.

**Lotteries** You may be contacted by email/phone/letter. You will be informed that: **You have won a considerable amount of money on a lottery.**

If you reply, you will be asked to send money to claim your win. **Don't reply!**

**You will lose money if you get involved.**
