Christmas turkey/goose order sheet

Once again we will be sourcing our birds from Franklins of Thorncotes near Sandy, Beds. We have taken time to visit the farm and met with John Franklin who has informed us that all his birds are reared in the traditional way, roaming freely, housed only at night.

They are fed on GM free natural foods and allowed to mature slowly.

They are also prepared on site and by hand and hung in the traditional way to ensure a better flavour.
